**SANREMO**  
MACCHINE PER CAFFÈ ESPRESSO

---

Think  
about  
it!

Sanremo is a family owned business which has been hand-crafting espresso coffee machines for generations in Treviso, Italy. During this time, Sanremo has developed strong and long lasting partnerships in more than 180 countries becoming a major player within the coffee industry.

## Opera... The Revolution

- ☒ First espresso coffee machine designed by an expert team of baristas, engineers and designers from around the world.
- ☒ Brew ratio with Controlled Delivery System (CDS).
- ☒ Three different fully programmable stages of infusion with variable gear pump pressure; pre-infusion : infusion ; post-infusion.
- ☒ New PID controlled multi-boiler system with integrated 0.5 litre 800W independent group head boilers.
- ☒ All the espresso parameters are controlled via an APP. Tablet included.
- ☒ Six programmable recipes per group head.
- ☒ 316L AISI Stainless Steel Construction.
- ☒ Ergonomically designed machine with pull-style start/stop levers.
